## The Middle Path

### *The Monthly Letter April 1956*

The following is a copy of a letter written to a student exactly ten years ago, which even then expressed the fact that many people are seeking God for some purpose other than God-realization. I bring it to your attention at this time because it is becoming increasingly important that we rise above the sense of physical and material good and evil to that place where we embark on the journey of The Middle Path - at the end of which there is but one Truth - God IS! Therefore, Harmony IS!

*Dear Friend:*

*I have an idea that when people went to hear Buddha and Lao Tse give their discourses, it was much like the more recent days when they do to hear some of the modern teachers. They went then, and they go now, to hear about God to learn Truth. It is probable that those who first sought Jesus went on the same mission, but soon the world spread that those who heard the master came away healed, and this no doubt, started the multitudes seeking healing rather than God.*

*As One seeks God, it is natural that discords disappear because God is the one Cause - the Cause of all harmony, peace and joy. Those who are seeking healing are seeking an effect, and to seek an effect is like trying to have a loaf of bread without first giving consideration to the proper ingredients. Gradually, our attention must be weaned away from seeking effect, to the place where the whole attention is placed on Cause.*

*On many occasions Jesus noted this seeking of effect rather than cause, and He had much to say on the subject in such passages as refer to seeking the loaves and fishes, and in telling the rich man to sell all he had, give it away, and follow Him. In that most magnetic section of Luke 12:22-32, He reveals the necessity of taking no thought for effect, and directs attention to seeking first the Kingdom of God, assuring us that the Father knows our needs before we ask, and that it is His good pleasure to give us the Kingdom.*
