A NEW LOOK AT MYSELF

by Joel

"Now I am speaking as if I am each one of you. My mind is filled with the word of God because I keep my mind stayed on God. From rising in the morning to sleeping at night, always there is some spiritual truth active in my consciousness, some Scriptural passage kept alive within me; therefore, my mind is permeated with truth; it is constituted of truth. All who enter the realm of my mind find truth, life, eternity, love, immortality, the grace of God, and the benediction of God. My mind when it is imbued with spiritual truth is a law of elimination to all discords, all inharmonies, all injustices, all sins, all diseases, and all false appetites.

"I of my own self am nothing, but *I* and my Father are one, and He that is in me is greater than any error that exists in the world. Therefore, when I fill my consciousness full of truth, of love, of spiritual wisdom, I am a law of harmony, of healing, of peace unto all who enter my spiritual household of my consciousness, my mind.

"I can of my own self do nothing, but since *I* and the Father are one; all that the Father has is mine – all the dominion, all the healing influence, all the forgiving influence. Therefore, when my mind is filled with truth and love, I do not condemn; "Neither do I condemn thee." All who enter this room, this home, this meeting are forgiven – forgiven their sins of omission or commission. They come into His grace because my mind is filled with His grace, with His word, with His truth, and all who enter here enter the divine Presence and receive forgiveness and regeneration. They even find the lost years of the locust are restored to them by the divine grace which God has given me in truth.

'Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God.'

"Every word of truth, which is my consciousness is bread, is wine and water and meat and life and resurrection unto all who enter my consciousness. Truth is the divine influence; Love is the divine influence; therefore, if my mind, consciousness, soul is filled with truth

– spiritual truth and love – all who enter my consciousness partake of the divine bread, meat, wine and water. This is life eternal. Through the truth embodied in my consciousness, I am a law unto you – a law of healing, a law of forgiveness, a law of grace, of benediction, even of supply. The truth of which my consciousness is constituted is your supply." - Joel
