Fresh Manna Each Day

Joel Goldsmith

"There Must Be Sunshine Today"

Tape 420 Side One

"It is exactly as I have said over and over again about the healing work. You may have a wonderful revelation or realization today and it may result in the healing of cancer or consumption, or Polio. And it can even be an instantaneous healing, but do not try to use that truth tomorrow because it may not even clear a headache or minor indigestion.

"When you do healing work tomorrow, you turn within for fresh realization or a fresh revelation or whatever it is that God will give you. Oh, that doesn't mean that some experiences that we have and some unfoldments may really carry with us for days or weeks and we may even have the same truth at work in our healing work for days or weeks. But don't expect it to last forever. And don't regret it when it leaves you because it only means that the time has come for a deeper revelation or a deeper realization.

"And then, go within. Again the principle is: Do not try to live on yesterday's manna. The manna flows fresh everyday. Just as you cannot grow your plants with yesterday's sunshine. There must be sunshine today and there must be rain today. And so forth. The reason then, that each class must be carrying us deeper into consciousness."
